Hello, Campers!

I am excited for camp and to see you all again or for the first time. This year our theme is "In The Beginning!" We will be learning about creation and specifically who God created YOU to be!

This year for YOUTH CAMP we are offering a ministry skill class called Song Leading. Song Leading will focus on those who lead songs during a service. We intend to form a song leading team from this class for Children's Camp the following week. This is not a musical beginner's class. Musical ability is needed, such as instrumental or vocal. ***Just because you sign up for the class does not mean you will be selected for the song leading team for Children's Camp!***

On the back of this sheet is a list of camp rules that ***all campers are expected to follow.***

Below is a list of items to bring and not to bring to camp.

Mt Zion Camp Rules/Policies

Mt Zion Camp is a Christian camp. The following rules are in place to provide an environment where God is honored and where we can get away from the world and its pressure on our lives.

- Campers are asked to not bring or use iPods, iPhones, or any other electronic devices. The use of digital cameras is allowed. If a camper is found using any electronic device, it will be confiscated until the final flag lowering, at which time the item will be returned to the camper.
- Campers are asked to keep underwear and proper body parts covered with appropriate clothing. Appropriate clothing includes t-shirts, shorts, tank tops, jeans, and capris. Inappropriate clothing includes low cut shirts, spaghetti straps, short shorts, leggings, yoga pants, muscle shirts, crop tops that expose stomach, and t-shirts with inappropriate words/pictures. Short shorts are defined as being shorter than the second knuckle when standing. A camper wearing clothing deemed inappropriate by a camp leader will be asked to change. If the camper does not have appropriate clothing of their own, appropriate clothing will be provided. Refusal to change to appropriate clothing may result in the camper being sent home.
- Campers are asked to refrain from PDA (public displays of affection) among each other. This includes holding hands, frontal hugs, kissing, etc. If campers are found in violation of this rule they will be given a warning. For a second offense the camper will be sent home.
- Campers are asked to stay the full length of camp. Arrangements to leave made **PRIOR to arriving at camp** with the director are accepted, as well as emergencies at the discretion of the director. In those cases the director should be notified personally by the camper's parent.
- Items left at the camp will be kept for 2 WEEKS. After that time items will be sent to charity.
- Campers will be notified as to where they are allowed or not allowed to go during camp. Campers who violate this rule may be sent home.
- Campers are expected to respect the leaders, fellow campers, and camp property. Campers who violate this rule may be sent home.
- Campers are asked to not bring inappropriate reading materials, illegal drugs, alcohol, and fireworks. Again, campers who have brought any of these items will have them confiscated and immediately be sent home. If the situation involves an illegal offense, the proper authorities (Sheriff or Division of Family Services) will be contacted.
